**IDEAL
EARTH**
SUSTAINABLE ZIPPERS

If we could lessen the burden on Mother Earth by reducing our environmental footprint without compromising quality, we would, right? We can... and we will. **IDEAL** has proudly partnered with **REPREVE**,[®] a leading producer of recycled polyester made from plastic bottles, to create **IDEAL Earth**,[™] our line of sustainable zippers for eco-conscious manufacturers.

We believe in better zippers—and a better planet.
